

# WEST SALEM TOOL & DIE TURNTABLES

**AHT-250 TURNABLES:** *Adjustable working height with 250lbs load capacity*

## PERFECT WELDS:

Foot pedal control and smooth rotation lets welders focus on weld bead quality. The optional auto torch addon further improves weld quality.

# TURNTABLES

STABLE

TOUGH

RELIABLE

## CUSTOM FIXTURES:

For parts that require fixtures, turntables can be equipped with fixtures designed to work with the turntables.
